

# Why Did You Mess With Forever

John Mayer

I came by to get my things  
Thank you for getting the door  
But I don't feel right walking in no more  
You think it's cold, I did my crying at home  
But I'm numb now, I'm numb now

Before I'm on my way  
I've one more thing to ask  
Was it worth the price you paid for my never coming back?

Why did you mess with forever?  
Ooohh... what a long time to be unkind  
Why did you mess with forever?

Don't you call me cruel  
Cruel is what you're making me do  
Stick to my rules  
I'm at odds with me now  
So stay don't go ahead and stay

Before I'm on my way  
I've one more thing to ask  
Was it worth the price you paid for my never coming back?

Why did you mess with forever?  
Oooohhh... what a long time to be unkind  
Why did you mess with forever?

You asked to kiss me once goodbye  
But you already did  
On somebody else's lips

Tell the tiny chemicals  
The ones you hold responsible  
They lost me, you lost me

Now everything inside me tells me I should run to you  
And throw my arms around you  
Hold your steaming crying cheek against my own  
And tell you nothing's wrong  
But wrong is what you were when you forgot  
That we were going on  
We were going on  
We were going strong
