

Gone So Soon

John Mellencamp

Gone so soon
Our time ran out
I was barely close to you
There's disappointment here
Between us two
Now you're gone so soon

Gone so soon
Nothing feels like it was supposed to do
I hate to put you out
If your heart's not in it too
I wish our time was not gone so soon

All the plans we made
Are now being remade with someone new
There's nothing left for me to say
Just accept you're gone so soon

Getting back close to you
I always thought I'd be close to you
I never dreamed I'd see the day
That you would go away
And be gone so soon
And be gone so soon
