

Let It All Hang Out

John Mellencamp

No parking by the sewer sign
Hot dog my razor broke
Water dripping up the spout
But hey I don't care - let it all hang out

Hanging from a pine tree by my knees
Sunshine through the shade
Nobody knows what it's all about
It's too much man - let it all hang out

Saw a man walking upside down
My TV's on the blink
Make Galileo look like a boy scout
Sorry about that - let it all hang out

Sleep all day, drive all night
Brain my numb can't stop now
For sure ain't no doubt
Keep an open mind - let it all hang out

It's raining inside a big brown moon
How does that mess your baby up leg
Eating a Reuben sandwich with sauerkraut
Don't stop now honey woman - let it all hang out

Man in the straw house
Sure don't know what he's talkin' about
Don't leave me standing
On the front porch baby
Makes me feel like I'm selling something
Ask me in - let it all hang out
