

Chains And Wild Horses

John Miles

When I saw you, I knew
That my life would never be the same.
I had a fire deep inside
But it took you to light the flame.
When I found that love was true
The first time that you spoke my name,
Something stole my loneliness
And, baby, you're the one to blame.

Chains, chains, and wild horses
Could never ever keep us apart, no.
Chains, chains, and wild horses,
Ain't no doubt about it.
Nobody else could capture my heart, no, no.

When I touched you, I knew
But somehow this wild heart was tamed.
Oh, love took me by surprise,
Something made me stake my claim.
I've got to spend my life with you, babe,
That's my goal, my only aim.
Something filled my emptiness
And, baby, you're the one to blame.

Chains, chains, and wild horses
Could never ever keep us apart. No!
Chains, chains, and wild horses,
Ain't no doubt about it.
Nobody else could capture me.
Chains, chains, and wild horses
Could never ever keep us apart. No!
Chains, chains, and wild horses,
Ain't no doubt about it.
Nobody else could capture my heart!
Baby, I need your love,
I can't get enough
Cos' you turned me on
To some powerful stuff.

Chains, chains, and wild horses
Could never ever keep us apart. No!
Chains, chains, and wild horses,
Ain't no doubt about it.
Nobody else could capture me.
Chains, chains, and wild horses
Could never never never never keep us apart.

Chains, chains, and wild horses,
Ain't no doubt about it.
Nobody, nobody, I said,
Chains, chains, and wild horses
Could never ever keep us apart. No!

Chains, chains, and wild horses,
Ain't no doubt about it.
Nobody else could capture my heart.
Chains, chains, and wild horses

Could never never never never keep us apart.

Chains, chains, and wild horses,
Ain't no doubt about it.
Nobody else could capture my heart
