

# Crickets

John Morgan

That girl, she can go on and on  
When she gets her mama on the phone  
And they start catchin' up  
Talkin' 'bout the drama back home  
Yeah man, you ain't seen no bigger fan  
If you bring up her favorite band  
She'll ramble on about 'em 'bout more than anybody can  
There ain't much I don't love hearin' her talk about  
But when we get to her spot on the edge of town  
And do what we're doin' right now

It's just crickets  
Got our lips too tied up kissin'  
The way it's goin' think I know where we're gettin'  
There ain't much talkin' goin' on  
That girl she's makin' my new favorite country song crickets  
Out here in the dark where the river runs  
Got the stars wishin' they were us yeah  
I wanna turn it up all night long  
Yeah, she's makin' my new favorite country song crickets  
Yeah, just crickets

You can't beat a middle of nowhere field  
Box wine and a blanket on the ground  
Makes it easy to lose track of time  
Pretty soon the sun's comin' out  
So I ask her if she was ready to head home or not  
Lucky for me all I got

Was just crickets  
Got our lips too tied up kissin'  
The way it's goin' think I know where we're gettin'  
There ain't much talkin' goin' on  
That girl she's makin' my new favorite country song crickets  
Out here in the dark where the river runs  
Got the stars wishin' they were us yeah  
I wanna turn it up all night long  
Yeah, she's makin' my new favorite country song crickets  
Yeah, just crickets

Ooh, don't even need that radio on  
As long as it's me and her alone  
And crickets  
Mmm, crickets

Yeah, just crickets  
Got our lips too tied up kissin'  
The way it's goin' think I know where we're gettin'  
There ain't much talkin' goin' on  
That girl she's makin' my new favorite country song crickets  
Out here in the dark where the river runs  
Got the stars wishin' they were us yeah  
I wanna turn it up all night long  
Yeah, she's makin' my new favorite country song crickets  
Yeah, just crickets  
The way it's goin' think I know where we're gettin'
