

# Kid Myself

John Morgan

We were young, we were wild  
It was fun on the run for a while  
But you grew up girl when I shoulda  
I wouldn't be kickin' myself if I woulda  
Gotten outta the bars, outta the scene  
Gave you my heart and everything in between  
Just like you deserved, sorry I couldn't give  
You a ring and a house with a dog and a couple of kids

But I was just a kid myself  
I was just a kid myself  
Didn't know better than to wish you well  
Baby if you never could tell  
I ain't proud of how it all went down  
If I could, I'd take it all back now  
I'd be lyin' if I said I wasn't wishin' you were missin' me like hell  
But I don't wanna kid myself  
I don't wanna kid myself

I know I was wrong to think I was right  
Taking the easy road after the fight  
I should've stayed girl for what it was worth  
I bet this you and me young love thing would've worked

But I was just a kid myself  
I was just a kid myself  
Didn't know better than to wish you well  
Baby if you never could tell  
I ain't proud of how it all went down  
If I could, I'd take it all back now  
I'd be lyin' if I said I wasn't wishin' you were missin' me like hell  
But I don't wanna kid myself  
No I don't wanna kid myself

No I don't wanna kid myself  
Thinkin' the last kiss wasn't the last  
You probably would've called by now  
If you ever wanted this boy back

But I don't wanna kid myself  
Girl I was just a kid myself  
Didn't know better than to wish you well  
Baby if you never could tell  
I ain't proud of how it all went down  
If I could, I'd take it all back now  
I'd be lyin' if I said I wasn't wishin' you were missin' me like hell  
But I don't wanna kid myself  
No I don't wanna kid myself

Girl I was just a kid myself  
I don't wanna kid myself
