

Remember Us

John Morgan

Oh, baby, tell me what's so wrong with hangin' on to the best of us
Lettin' the bad parts fade like a cloud of dust
And holdin' on to the things we love
Your smile was my early mornin' sunrise, blue eyes were my summer sky
Till the clouds rolled in and I made 'em cry
But that ain't how I remember us

Nah, this ain't a tryin' to stir it up again thing
That you're hearin' me say right now with a whole bottle half drunk down
Maybe it's the whiskey talkin'
Or maybe it's just a memory walkin'
Me back to the good as it gets
Makin' me miss every kiss
Making me wish I could just call you up
Put some beer in the truck and ride around all night
Just like I remember us

Well, I don't know where you're at now
Or what you're thinkin' 'bout
Girl, is it just me?
Stuck here in the could-have-beens, caught up in the used to be

Nah, this ain't a tryin' to stir it up again thing
That you're hearin' me say right now with a whole bottle half drunk down
Maybe it's the whiskey talkin'
Or maybe it's just a memory walkin'
Me back to the good as it gets
Makin' me miss every kiss
Making me wish I could just call you up
Put some beer in the truck and watch you smile all night
Just like I remember us
Girl, just like I remember us
Oh yeah

Well, if I saw you walk into a bar downtown
Would you believe me if I lied and tried to tell you how?

This ain't a tryin' to stir it up again thing
That you're hearin' me say right now with a whole bottle half drunk down
Maybe it's the whiskey talkin'
Or maybe it's just a memory walkin'
Me back to the good as it gets
Makin' me miss every kiss
Making me wish I could just call you up
Put some beer in the truck and watch you smile all night
Just like I remember us
Oh, just like I remember us

Baby, tell me what's so wrong with hangin' on to the best of us
Lettin' the bad parts fade like a cloud of dust
And holdin' on to the things we love
