

How Much

John Nolan

When what's done is done and the past is past
When the last go first and the first go last
When the lights go down and the sun goes dim
You light the match and I'll sing this hymn

How much can we control?
I don't know
As much as we can
How far can we go?
I don't know
As far as we can

When you know you're right but you can't be sure
When you won the fight but you lost the war
When you stand your ground even though you're wrong
I'll hold you close and I'll sing this song

How much can we control?
I don't know
As much as we can
How far can we go?
I don't know
As far as we can
How much can we control?
I don't know
As much as we can
How far can we go?
I don't know
As far as we can
How much can we control?
I don't know
As much as we can
How far can we go?
I don't know
As far as we can
How much can we control?
I don't know
As much as we can
