Neoneun wae nal moreunchcek haneunji

Mworago jom malhaebwa it's not a one way street
Give me one long look and neol madahaji anhgetji

Jikyeoon sarangi neomuna neomchyeo heulleo
Naegeman jugien neomu akkaun geol ara
Geuraedo joha geuge nan joha
Eochapi neowa na neowa nan no way
But tonight neowa na for one night

Imagine me imagine you
Imagine us and the things we could do
Imagine love all we must do
Imagine us and all the things we could do

Tell me neoui chwihyangeul imagine
Neoui modeun bimireul you know that
Nothing is impossible
If you want if you want
Mwodeun haejulge mwodeun haejulge

Sunganeul nochimyeon uri huhoereul hagetji
Jalmothan geotbodado mot haebon geotdeuri
Gieoge namana namana nama
So tonight neowa na for one night

Imagine me imagine you
Imagine us and the things we could do
Imagine love all we must do
Imagine us and all the things we could do

Just one night together
Baby you and I together

너는 나랑 좀더 만나고 싶어
그래서 나랑 좀더 만나고 싶어
너는 나랑 it's not a one way street
Give me one long look and 너랑 좀더 만나고 싶어

너랑 사랑해 너랑 사랑해
너랑 사랑해 너랑 사랑해
너랑 사랑해 너랑 사랑해
너랑 사랑해 너랑 사랑해 no way
But tonight 너랑 사랑해 for one night

Imagine me imagine you
Imagine us and the things we could do
Imagine love all we must do
Imagine us and all the things we could do

Tell me 너랑 좀더 만나고 싶어
너랑 좀더 만나고 싶어 you know that
Nothing is impossible
If you want if you want
너랑 좀더 만나고 싶어

000 000 00 000 000
000 0000 0 00 000
000 000 000 00
So tonight 00 0 for one night

Imagine me imagine you
Imagine us and the things we could do
Imagine love all we must do
Imagine us and all the things we could do

Just one night together
Baby you and I together

Why are you ignoring me?
Why are you making things unbearable?
Say something, it's not a one way street
Give me one long look and I won't mind

The love is overflowing
I know it's too precious to give only to me
But I like it, I still like it
You and I, you and I can't be anyway, no way
But tonight, you and I, for one night

Imagine me imagine you
Imagine us and the things we could do
Imagine love all we must do
Imagine us and all the things we could do

Tell me your preference, imagine
Your every secret, you know that
Nothing is impossible
If you want, if you want
I'll do anything, I'll do anything for you

If we miss this chance, we might regret it
Rather than the things you regret, the things you didn't get to do
Will remain in your memories
So tonight, you and I, for one night

Imagine me imagine you
Imagine us and the things we could do
Imagine love all we must do
Imagine us and all the things we could do

Just one night together
Baby you and I together
