

## now, us, here

John Park

Wae saranghae nal  
Gakkeum neon mutgon hae  
Neurin nareul  
You come and meet me halfway

Aseulhae  
Uriga geurin gokseondeuri  
Neomeojil deut rimbocheoreom buranhanga bwa  
I'm tired of counting down the days we've got

Now jigeumiran  
Sungan soge uril noja  
Traveling at the speed of light  
Frozen in this space and time  
Now, us, here

Geunyang idaero  
Meomul sun eopseulkka  
Neoreul manna  
Saero dodanan yokshimdeul

Meon hutnal neowa na  
Eotteon moseubilkka  
Da gwaenchana gwaenchana  
All this time I knew all along  
You're the one that's gonna break my heart

Now jigeumiran  
Sungan soge uril noja  
Traveling at the speed of light  
Frozen in this space and time  
Now, us, here  
(Don't you worry hold my hand)

Now jigeumiran  
Sungan soge uril noja  
Traveling at the speed of light  
Frozen in this space and time  
Now, us, here  
(Don't you worry hold my hand)

Why do you love me?  
You ask sometimes  
I'm so slow  
You come and meet me halfway

It's risky  
The curves that we drew  
It's nerve-wracking like limbo, as if we'll fall  
I'm tired of counting down the days we've got

Now, let's let go of ourselves  
In this moment  
Traveling at the speed of light  
Frozen in this space and time  
Now, us, here

Cuz we can't  
Just stay like this  
After I met you  
New greed started sprouting out

In the faraway future  
What will we be like?  
It's alright, alright  
All this time I knew all along  
You're the one that's gonna break my heart

Now, let's let go of ourselves  
In this moment  
Traveling at the speed of light  
Frozen in this space and time  
Now, us, here  
(Don't you worry hold my hand)

Now, let's let go of ourselves  
In this moment  
Traveling at the speed of light  
Frozen in this space and time

Now, us, here
