

Tim Tebow's Fire

John Parr

Growin' up
Gotta keep your eye on the ball
Make it fly
Give it everything, give your all

But maybe sometimes if you feel the pain
You'll find you're all alone
Everything has changed

Play the game
You know you can't quit until it's won
Soldier on
Only you can do what must be done

You know I'm out there
Down on one knee
A prisoner
And you're tryin' to break free

I can see a new horizon
Underneath the blazin' sky
I'll be where the eagle's flyin' higher and higher

Gonna be a man in motion
All I need's my Broncos team
Take me where my future's lyin'
Tim Tebow's Fire
Ooh...

Burnin' up
Don't know just how far that I can go
(Just how far I go)
Soon be home
Only just 4 downs to go

I can make it
I know I can
You broke the boy in me
But you won't break the man

I can see a new horizon
Blazin' on the Mile High
I'll be where the eagle's flyin' higher and higher

Gonna be a man in motion
All I need's my Broncos team
Take me where my future's lyin'
Tim Tebow's Fire

I can climb the highest mountain
These Broncos can't be beat
I can feel St Elmo's Fire burnin' in me
Burnin' in me

Just once in his life
A man has his time
And my time is now

I'm comin' alive

I can hear the music playin'
I can see the banners fly
Feel like a man again
I'll hold my head high

Gonna be a man in motion
These Broncos can't be beat
Take me where my future's lyin'
Tim Tebow's fire

I can see a new horizon
Blazin' on the Mile High
I'll be where the eagle's flyin' higher and higher

Gonna be a man in motion
These Broncos can't be beat
Take me where my future's lyin'
Tim Tebow's fire

I can climb the highest mountain
Cross the wildest sea
I can feel St. Elmo's Fire burnin' in me

Burnin'
Burnin' in me
I can feel it burnin'
