

## Fools Fall In Love

John Pizzarelli

Fools fallin' in love in a hurry  
Fools give their hearts much too soon  
Just put in two bars of stardust  
Just hang out one silly moon

Oh, they've got their love, torches burning  
When they should be playing it cool  
I used to laugh but now I'm the same  
Take a look at a brand new fool

Fools fall in love just like schoolgirls  
Blinded by rose colored dreams  
They build their castles on wishes  
With only rainbows for beams

Oh, they're making plans for the future  
When they should be right back in school  
I used to laugh but now I'm the same  
Take a look at a brand new fool, all right

They've got their love torches burning  
When they should be playing it cool  
I used to laugh but now I'm the same  
Take a look at a brand new fool  
Take a look at a brand new fool
