

From Monday On

John Pizzarelli

From Monday on
We'll be in clover;
From Monday on
Our troubles over
That's because on Monday
Just because it's wash day,
And we're gonna wash
Our cares away.

From Monday on
Things will be different;
Don't try to tell me different,
Cause you know I'm right!
We're gonna shout "Hip! Hip! Hooray!"
When he says, "Love, honor and obey;"
We'll be happy
From Monday on!

From Monday on  
All things will be different;  
Don't try to tell me different,  
Cause you know I'm right!  
We're gonna shout "Hip! Hip! Hooray!"  
When he says, "Love, honor and obey;"  
We'll be happy  
From Monday on!
