

# God Only Knows

John Pizzarelli

I may not always love you  
But long as there are stars above you  
You never need to doubt it  
I'll make you so sure about it  
God only knows what I'd be without you

If you should ever leave me  
Life would still go on, believe me  
The world could show nothing to me  
So what good would living do me?  
And God only knows what I'd be without you

God only knows what I'd be without you  
If you should ever leave me  
Life would still go on, believe me  
The world could show nothing to me  
So what good would living do me?  
God only knows what I'd be without you  
God only knows what I'd be without you  
God only knows what I'd be without you  
God only knows  
God only knows

God only knows what I'd be without you
