

Love Scene

John Pizzarelli

Makin' that scene
Makin' that love scene
Got to be seen
Makin' that love scene

A spot for two
On stage with you
Makin' make believe
Come true

Singin' that song
Swingin' that love song
Together forever we belong
Can't go wrong

Makin' that music more and more
Taking encore after encore
Makin' that love scene
Makin' that love

Makin' that scene
Makin' that love scene
Got to be seen
Makin' that love scene

A spot for two
On stage with you
Makin' make believe
Come true

Singin' that song
Swingin' that love song
Together forever we belong
Can't go wrong

Makin' that music more and more
Taking encore after encore
Makin' that love scene
Makin' that love
