

## Some People Never Know

John Pizzarelli

No one else will ever see how much faith you have in me,  
only fools would disagree that it's so, some people never know.

Like a fool I'm far away, every night I hope and pray  
I'll be coming home to stay, and it's so, some people never know.

Some people can sleep at nighttime, believing that love is a lie.

I'm only a person like you, love, and who in the world can be right all the right time?

I know I was wrong, make me right, right.

Some people can sleep at nighttime, believing that love is a lie-lie-lie-lie-lie-lie.

I'm only a person like you, love, and who in the world can be right all the right time?

I know I was wrong, make me right, right.

Only love can stand the test, only you outshine the rest,  
only fools take second best, but it's so, some people never know.

Oh yeah, some people can...

I'm only a person like you, love, and who in the world can be right all the right time?

I know I was wrong, make me right, right, right.

Only love can stand the test, only you outshine the rest,  
only fools take second best, but it's so, some people never know.
