

Style Is Coming Back In Style

John Pizzarelli

That pose! Those clothes!
I bet you haven't seen 'em for a while.
Do you suppose
Style is coming back in style?

The cane, the hat,
And right on cue, a million dollar smile;
Imagine that!
Style is coming back in style!

It's in the air,
It's everywhere,
And every dude is dressin' up like Fred Astaire,
So honey-child, come on,
Get dressed, put on your best,
'Cause style is back in style!

It's in the air,
It's everywhere,
And every dude is dressin' up like Fred Astaire,
So honey-child, come on,
Get dressed, put on your best,
'Cause style is back in style!
