

Zing! Went The Strings Of My Heart

John Pizzarelli

Zing! Went the strings of my heart
Zing! Went the strings of my heart

Dear when you smiled at me, I heard a melody
It haunted me from the start.
Something inside of me started a symphony
Zing! Went the strings of my heart

'Twas like a breath of spring, I heard a robin sing
About a nest set apart
All nature seemed to be in perfect harmony
Zing! Went the strings of my heart

Your eyes made skies seem blue again
What else could I do again
But keep repeating through and through
"I love you, love you"

I still recall the thrill, I guess I always will
I hope 'twill never depart
Dear, with your lips to mine, a rhapsody divine,
Zing! Went the strings of my heart

Your eyes made skies seem blue again
What else could I do again?
But keep repeating through and through
"I love you, love you"

I still recall the thrill, I guess that I always will
I hope 'twill never depart
Dear, with your lips to mine, a rhapsody divine,
Zing! Went the strings of my
Zing! Went the strings of my
Zing! Went the strings of my heart

Zing! Went the strings of my heart
Zing! Went the strings of my heart
Zing! Went the strings of my heart
