

# Boundless Love

John Prine

I woke up this morning to a garbage truck  
Looks like this ol' horseshoe's done run out of luck  
If I came home, would you let me in?  
Fry me some pork chops and forgive my sin?

Surround me with your boundless love  
Confound me with your boundless love  
I was drowning in the sea, lost as I could be  
When you found me with your boundless love

Sometimes my ol' heart is like a washing machine  
It bounces around till my soul comes clean  
And when I'm clean, when hung out to dry  
I'm gonna make you laugh until you cry

Surround me with your boundless love  
Confound me with your boundless love  
I was drowning in the sea, lost as I could be  
When you found me with your boundless love

If by chance I should find myself at risk  
A-falling from this jagged cliff  
I look below, and I look above  
I'm surrounded by your boundless love

Surround me with your boundless love  
Confound me with your boundless love  
I was drowning in the sea, lost as I could be  
When you found me with your boundless love  
You don't found me with your boundless love  
You surround me with your boundless love
