

I Have Met My Love Today

John Prine

I have met my love today
I have met my love today
Doesn't really matter what we had to say
I have met my love today

I've been holding on for you
Dreams I've had have all come true
I've seen your picture and I knew you right away
I have met my love today

True love will always head its way
There ain't no doubt about true love is here to stay
Hey, hey

Day by day our love will grow
Day by day our love will show
We'll go on forever and I can truly say:

I have met my love today, woh-oh
I have met my love today
