

Burn It Down

John Reuben

burn it down build it back/it's bound to crash/stand back watch
it collapse/let's start from scratch/my big
brother's hip with a pager/package of razors/shaved my face war
m water dull blade/peach fuzz black
becoming of age/formed an opinion joined in the conversation/th
ink on your own why you still got the
motivation/smell it on our breath/young-
ins want to have fun/package of cinnamon gum/johnny reubonic
fresh off the tongue/old school hip hop/adidas and tube socks/b
oom box in the boon docks/harass
rednecks bump the cops/down by the creek/philosophical potheads
/just say no just a guess/had the
opposite effect/we made plans to be genius nomads/put a spare p
air of boxer shorts in my book
bag/found God called him friend/my plans changed again/went cra
zy lost my mind/felt peace in
desperate times/convinced i'm not confused/followed the truth w
ithout proof/went looking for
absolutes/rediscovered a new found youth/package of matches/hap
py accidents/dancing on ashes in
the basement when the roof caves in/starting over gaining closu
re/this is not the end /but the beginning
of something better/let's pretend/
