

Jammin' John & Mixin' Manny

John Reuben

Well I'm Jammin' John and he's Mixin' Manny
Found the record party
He asked "Oh, can we?"
Absolutely, it's so amazing
I'm on the mic and he's scratchin' crazy
Are you ready?
Of course I'm ready
Yo, are YOU ready?
Yes, are you ready?
I told you I was ready
Are YOU ready?
Yes, I'm ready
I recommend that you listen to this
The combination of the two will pique your interest
The fat cats are pushin' back for the incredible
New words slack in the back cause he's scratch professional
Now that's a conversation piece to talk about
He speaks with his fingers and I run my mouth
Nothin' more to say
Leave it to the DJ
Even if my vocals go hoarse, the fader still works
Well I'm Jammin' John and he's Mixin' Manny
Found the record party
He asked "Oh, can we?"
Absolutely, it's so amazing
I'm on the mic and he's scratchin' crazy
