

# She Brings The Lightnin' Down

John Rich

One look and I know what's comin'  
Storm cloud is movin' in  
Ain't no use in running  
Just take it like a man  
Oh lord what have I started  
Cold front is setting in  
Shelter no I can't find it  
Judgement day is here again

Oh I better find some cover  
Ooh when I hear that rumblin' sound  
Mmm because there ain't no warning  
Oh when my woman comes unwound, yeah  
She brings the thunder she brings the Lightnin' down

The straight line that I've been walking  
Lately is wearing thin  
I can't help but cross it  
Every now and then

Oh I better find some cover  
Ooh when I hear that rumblin' sound  
Mmm because there ain't no warning  
Oh when my woman comes unwound, yeah  
She brings the thunder she brings the Lightnin' down
