

# You Rock Me

John Rich

Baby, you rock  
Baby, you rock me

Baby, you rock me  
Makin' me crazy when you dance  
You shockin' on me  
Givin' me more than I can stand

Put your voodoo on me  
I'm just a rag doll in your hands  
Oh, baby, you rock me

When you wear them ripped up Wranglers  
And you walk my way  
Well, you make my jangle, jangle  
And I break my chain

You play me like a country fiddle  
You really ring my bell  
I try to keep it on the down low, honey  
But I just can't help myself

Baby, you rock me  
Makin' me crazy when you dance  
You shockin' on me  
Givin' me more than I can stand

Put your voodoo on me  
I'm just a rag doll in your hands  
Oh, baby, you rock me

Well, I know you know I'm watchin'  
Every move you make  
And every time you bend that body  
For goodness' sake, damn

Can you feel that fire I'm feeling  
It's a primitive thing  
Make me wanna jump, make me wanna holla  
Make me wanna sing

Baby, you rock me  
Makin' me crazy when you dance  
You shockin' on me  
Givin' me more than I can stand

Put your voodoo on me  
I'm just a rag doll in your hands  
Oh, baby, you rock me  
Baby, you rock me

Baby, you rock me  
Makin' me crazy when you dance  
You shockin' on me  
Givin' me more than I can stand

Put your voodoo on me

I'm just a rag doll in your hands  
Oh, oh, baby, you rock me  
Oh baby, you rock me  
You rock me, you rock me
