

# Blame

John Splithoff

(Ou ou ou)

We've always seemed to be  
Somewhere in the in between

You may disagree with me  
But this is how it's always been

I don't wanna have to feel the pain  
I should be the one to walk away  
Yeah, this is really hard to say  
I hope you know what this is doing to me

Ou ou ou  
I don't know what to do about you  
I'm talking to, talking to ya  
But you know I can see right through

You should know you're not the one to blame  
By the way, I've been feeling the same way too

Ou ou ou  
I don't know what to do about you

We've always seemed to be  
World's apart and incomplete

You still disagree with me  
But this is how it's always been

I don't wanna have to feel the pain  
I should be the one to walk away  
Yeah this is really hard to say  
I hope you know what this is doing to me

Ou ou ou  
I don't know what to do about you  
I'm talking to, talking to ya  
But ya know, that I can see right through

You should know you're not the one to blame  
By the way, I've been feeling the same way too

Ou ou ou  
I don't know what to do about you

Ou ou ou  
Ou ou ou

Ou ou ou  
I don't know what to do about you  
I'm talking to, talking to ya  
But ya know, that I can see right through

You should know you're not the one to blame  
By the way, I've been feeling the same way too

Ou ou ou

I don't know what to do about you

Ou ou ou

I don't know what to do about you

I'm talking to, talking to ya

But ya know that I can see right through

You should know you're not the one to blame

By the way, I've been feeling the same way too

Ou ou ou

I don't know what to do about...
