

## February Song

John Splithoff

Come whisper softly  
Come sweep me off my feet  
Go ahead fulfill my dreams  
But tread through my fragile heart gently  
I'm so in love with you

I've been through it all  
Been through the hurricane  
I've been in this storm for far too long  
Come ease the hurt and pain  
I'm so in love with you

I get so weak  
I feel it at the knees  
When you start to speak soothing words to my soul  
Digging deep you cure it all  
You're running through my veins  
I just cannot contain like a burst of flames  
I feel this glow every time you call

I've been through it all  
Been through the hurricane  
I've been in this storm for far too long  
Come ease the hurt and pain  
I'm so in love with you

Come whisper softly  
Come sweep me off my feet  
Go ahead fulfill my dreams  
But tread through my fragile heart gently  
I'm so in love with you  
I'm so in love with you
