

# Raye

John Splithoff

I know this seems overdue  
There's so much left I have to say to you  
And even if what we had is through  
Oh, there's so much left I have to say to you

Because how I feel, how I feel  
When you're gone, it feels so real  
You and me in the palm of your hand  
Now I wish I could try to make you understand

I would say "Raye, I wish I had the words to tell you how I feel tonight  
Raye, I wish I could tell you that you make my world feel so bright  
Oh Raye, I wish I could tell you all the things you mean to me  
Raye, now won't you come back home and keep me some company?"

3 AM calls out of the blue  
I don't mind, I wanna talk to you  
There's nothin' I would rather do, ooh  
Than put on a song and just dance with you, oh...

Because how I feel, how I feel  
When you're gone, it feels so real  
You and me in the palm of your hand, yeah  
I wish I could try  
I wish I could try to make you understand

I'd say "Raye, I wish I had the words to tell you how I feel tonight  
Raye, I wish I could tell you that you make my world feel so bright  
Oh Raye, I wish I could tell you all the things you mean to me  
Raye, now won't you come back home and keep me some company?"

('Cause it's been too long)  
(Oh, it's been too long)  
It's been too long since I talked to you  
(It's been too long)  
It's been too long since I heard from you  
(Oh, it's been too long)  
(Oh, it's been too long)  
It's been too long, it's been too long  
(It's been too long)  
I wanna talk to you, won't you talk to me?  
(Oh, it's been too long, won't you talk to me?)  
Won't you talk to me?  
(It's been too long)  
(It's been too long)  
(Oh, it's been too long)
