

# Steady

John Splithoff

You love me Steady  
When the odds are stacked against me  
And I'm holding on but barely standing  
And empty-handed, I always know

That I lost my way a couple of times  
Couldn't see what was right  
Standing right in front of me  
In front of me  
And my pride  
Is just a wall I hide behind  
And when it falls down  
Then you find the silver lining underneath (Oh oh oh)

No, I'm not perfect now  
And I know I've let us down  
But through all of the pain  
Through all the doubt

You love me Steady  
When the odds are stacked against me  
And I'm holding on but barely standing  
And empty-handed, I always know  
That you love me Steady  
When my world is feeling heavy  
And I'm holding on but barely standing  
And empty-handed, no you won't let go  
You love me Steady

Tonight I'm seeing things through different eyes  
Forget the things that keep me up at night  
When you're lying next to me

No, I'm not perfect now  
And I know I've let you down  
But through all of the pain  
Through all the doubt

You love me Steady  
When the odds are stacked against me  
And I'm holding on but barely standing  
And empty-handed, I always know  
That you love me Steady  
When my world is feeling heavy  
And I'm holding on but barely standing  
And empty-handed, no you won't let go
