

Tangled

John Splithoff

You can make a mess out of me
And you can take the stress out of me
When you want to, baby
However you want to, baby

Gripping like the roots of a tree
Wrapped around my head to my knees
You got me crazy
And I love it, baby

The taste is smooth like red wine
Want to pick the grape from your vine
'Cause over time
It's better every time

I might be losing my mind
And twisted up inside
It feels so right
Oh, so don't stop doing what you do
Because

You know I love to be
Tangled up with you, with you
You know I love to be
Tangled up with you, with you

Oh
You can make a mess out of me
And you can get the best out of me
When you want to, baby
However you want to, baby

The taste is smooth like red wine
Want to pick the grape from your vine
'Cause over time
It's better every time

I might be losing my mind
And twisted up inside
It feels so right
Oh, so don't stop doing what you do
Because

You know I love to be
Tangled up with you, with you
You know I love to be
Tangled up with you, with you

(Tangled up with you)
(Tangled up with you)

You know I love to be
Tangled up with you, with you
You know I love to be
Tangled up with you, with you
