

Hungover

John Summit

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

It's ringing in my head
Like dejavu
But we should go again
Just me and you

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover (Hungover, hungover)
Hungover (Hungover, hungover)
Hungover (Hungover, hungover)
Move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover

Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over

Hungover
Cuz we hate being sober
We should move closer
Do it over and over and over
