Make Me Feel

John Summit

It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel

It's the way you look at me
It's the way you make me feel
When you smile, it gives a chill
My oh my, love you still
It's the way you look at me
It's the way you make me feel
When you smile, it gives a chill
My oh my, love you still

It's the way you look at
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
It's the way you look at

It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel

It's the way you look at me
It's the way you make me feel
When you smile, it gives a chill
My oh my, love you still
It's the way you look at me
It's the way you make me feel
When you smile, it gives a chill
My oh my, love you still
It's the way you look at me
It's the way you make me feel
When you smile, it gives a chill
My oh my, love you still
It's the way you look at me
It's the way you make me feel
When you smile, it gives a chill
My oh my, love you still

It's the way you look at
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way

```
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
Me, it's, me, it's the way
It's the way you look at

It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at me
It's the way you make me feel
It's the way you look at
```
