

# Show Me

John Summit

Show me you love me

Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
To show me you love me, to show me you love me  
To show me you love me

Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow 'cause moments never stay  
Before night is done, just show me you love me

Show me, show me  
Show me you love me

Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Show me you love me

Show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow, it's way too far away  
Don't wait for the sun to show me you love me  
Don't wait for tomorrow 'cause moments never stay  
Before night is done, just show me you love me  
Show me, show me  
Show me, show me  
Show me you love me
