

Tears

John Summit

I've been feeling like you let me go
Am I dreaming?
Lately you've been cold

I don't wanna feel your love if you're gonna take it away
I don't wanna taste your kiss if you're gonna fake it

Ooh, do you feel the same
As you watch my tears cascade
Oh and it's gone, gone, gone
The love I gave
I follow the tears, tears, tears that cascade

Lonely waters, when it rains it pours
Break me properly, nothing in the middle

'Cause I don't wanna feel your love if you're gonna take it away
I don't wanna taste your kiss if you're gonna fake it

Ooh, do you feel the same
As you watch my tears cascade?
Oh and it's gone, gone, gone
The love I gave
I follow the tears, tears, tears that cascade

Oh and it's gone, gone, gone
The love I gave
I follow the tears, tears, tears that cascade

Ooh, do you feel the same
As you watch my tears cascade?
Oh and it's gone, gone, gone
The love I gave
I follow the tears, tears, tears that cascade
