

## Thin Line

John Summit

Everybody's looking for a meaning  
Everybody's doing their own thing  
And nobody's solving their problems  
Ain't nobody helping each other  
Some people give into fear  
Some people give into hunger  
Some of us live for the future  
Hmm, and some of us wonder

Give a little light, give a little love  
Maybe there's enough for everyone  
Give a little hope and a little drugs  
Maybe there's enough for everyone

We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, they're making a way  
But they're making a way

Everybody's getting frustrated  
Why should we live with this hatred?  
We're all dancing on a thin line  
But they're making a way, having a good time

So who's gonna give us the answer? (Sister and brother)  
Give a little light, give a little love  
Maybe there's enough for everyone  
(People hold on)  
Ooh-ooh (Don't do yourself wrong)

We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, having a good time  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, they're making a way  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, dancing on a thin line  
We're all dancing on a, having a good time
