

Where You Are

John Summit

Do you dream alone
Under the moon?
Is it brighter, brighter
When I'm with you?
Is the afterglow strong enough
To light this fire, fire
Back in us? Whoa

Mixed emotions
Hearts still open
Though we're far apart

I get this feeling
I wanna be where you are
I wanna be where you are
I wanna be where you are
I get this feeling
I wanna be where you are
I wanna be where you are
I wanna be where you are

Are you wide awake
Counting the stars
Or just lying, lying
In the dark?
Whoa

Mixed emotions
Hearts still open
Though we're far apart

I get this feeling
I wanna be where you are
I wanna be where you are
I wanna be where you are
I get this feeling
I wanna be where you are
I wanna be where you are

I wanna be where you are

(Wanna, wanna, wanna, wanna)
(Wanna, wanna, wanna, wanna)
(Wanna, wanna, wanna, wanna)
(Wanna, wanna, wanna, wanna)
(Wanna, wanna, wanna, wanna)
(Wanna, wanna, wanna, wanna)
(Wanna, wanna)

I wanna be where you are

I get this feeling
I wanna be where you are
I wanna be where you are
I wanna be where you are
I get this feeling
I wanna be where you are

I wanna be where you are
I wanna be where you are
