

# Grease

John Travolta

I saw my problems and I'll see the light  
We got a lovin' thing, we gotta feed it right  
There ain't no danger we can go too far  
We start believin' now that we can be who we are - grease is the  
e word

They think our love is just a growin' pain  
Why don't they understand? It's just a cryin' shame  
Their lips are lyin', only real is real  
We stop the fight right now, we got to be what we feel - grease  
is the  
word

(Grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

We take the pressure, and we throw away conventionality, belong  
s to  
yesterday  
There is a chance that we can make it so far  
We start believin' now that we can be who we are - grease is th  
e word

(Grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

This is a life of illusion, a life of control  
Mixed with confusion - what're we doin' here?

We take the pressure, and we throw away conventionality, belong  
s to  
yesterday  
There is a chance that we can make it so far  
We start believin' now that we can be who we are - grease is th  
e word

(Grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

(Grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion

Grease is the way we are feeling
