## **Girl from the North Country**

John Waite

Well, if you're traveling in the north country fair Where the winds hit heavy on the borderline Remember me to the one who lives there She once was a true love of mine

Well, if you go when the snowflakes storm When the rivers freeze and summer ends Please see if she's wearing a coat so warm To keep her from the howlin' wind

Please see for me if her hair hangs long
If it rolls and flows all down her breast
Please see for me if her hair hangs long
That's the way I remember her best

I'm a-wonderin' if she remembers me at all
Many times I've often prayed
In the darkness of my night
In the brightness of my day

So if you're travelin' in the north country fair Where the winds hit heavy on the borderline Remember me to the one who lives there
She once was a true love of mine
