I'm So Lonesome I Could Cry

John Waite

Hear the lonesome whippoorwill
He sounds too blue to fly
The midnight train is whining low
I'm so lonesome I could cry

I've never seen a night so long
When time goes crawling by
The moon just went behind a cloud
To hide its face and cry

Did you ever see a robin weep When leaves begin to die That means he's lost his will to live And I'm so lonesome I could cry

The silence of a falling star
Lights up a purple sky
As I wonder where you could be tonight
I'm so lonesome I could cry

Oh I'm so lonesome I could cry
Oh I'm so lonesome I could cry
