

Butterflies

John West

You give me butterfly
You make it feel so nice
Give me natural highs
That's what you've done
Yeah

Little butterflies
Sometimes I realize
You got my children's eyes
That's what you've done

And I want to be with you now
And I will tell you why
When I look at you girl, you know you give me butterflies
That's what you've done
That's what you've done
