

I'll Be There

John Wetton

It's your own life to lead, but the future's not
guaranteed
There may be someone else you need along the way
The going can be tough, so when you know you're had
enough
Just turn around, give in, call it a day

I'll be there, I won't let you down
I'll be there, I'll always be around
I'll be there, I won't let you down
I'll be there, I'll be there

If the next guy you choose turns out to be bad news
Don't let it worry you the slightest, not at all
I'll be sitting by the 'phone, so when you're coming
home
Let it be my number that you want to call

I'll be there, I won't let you down
I'll be there, I'll always be around
I'll be there, I won't let you down
I'll be there, I'll be there

Call on me when all your point of reference
Make no sense at all, don't hesitate just call
I know you had to have your fling
It's only second nature, in the end you're coming
Home to me

I'll be there, I won't let you down
I'll be there, I'll always be around
I'll be there, I won't let you down
I'll be there, I'll be there
