

## For Always

John Williams

I close my eyes  
and there in the shadows I see your light  
You come to me out of my dreams across  
the night  
You take my hand  
though you may be so many stars away  
I know that our spirits and souls are one  
We've circled the moon and we've touched the sun  
So here we'll stay  
For always, forever  
Beyond here and on to eternity  
For always, forever  
For us there's no time and no space  
No barrier love won't erase  
Wherever you go  
I still know  
In my heart you will be  
With me  
From this day on I'm certain that I'll never be alone  
I know what my heart must have always known  
That love has a power that's all its own  
And for always, forever  
Now we can fly  
And for always and always  
We will go on beyond goodbye  
For always, forever  
Beyond here and on to eternity  
For always and ever  
You'll be a part of me  
And for always, forever  
A thousand tomorrows may cross the sky  
And for always and always  
We will go on  
beyond goodbye
