

# Last Two Dollars

Johnnie Taylor

A lady at the casino  
She lost all of her money  
She said don't feel sorry for me.no  
Don't feel sorry honey

But if you want to do a lady a favor  
Here's what I want you to do  
Just loan me 2 dollars  
Until the next time I see you.

Chorus:

But these last 2 dollars  
I'm not gonna lose  
These last 2 dollars  
I'm not gonna lose  
One's going for my bus fare  
Other one for the jukebox  
To hear me some blues

She said I wouldn't be over here  
If my man had been treating me right  
I came here to try to catch him, yeah  
'Cause he's been sneaking around every night

But I got caught up over here  
Got caught up in this scene  
And put all of my money  
In that doggone gambling machine

Chorus

But these last 2 dollars  
I'm not gonna lose  
These last 2 dollars  
I'm not gonna lose  
One's going for my bus fare  
Other one for the jukebox  
To hear me some blues
