

# One Thing Wrong With My Woman

Johnnie Taylor

One thing wrong with my woman  
Theres' one thing wrong with the girl  
There's only one thing wrong with my woman  
Only one thing I can see wrong with the girl  
She doesn't love me  
She doesn't love me anymore

I come home from work, the house is always tidy  
Her hair is combed, dinner's ready  
And everything is alright  
When the kids are fast asleep and I'm in the mood for loving  
There's always some excuse she finds to give me a "good-night"

There's one thing wrong with my woman  
There's one thing wrong with the girl  
She doesn't love me  
She doesn't love me anymore

I buy her presents to show my affection

Flowers and candy to surprise her  
When she greets me at the door  
There used to be a love light shining in her eyes  
Now, I'm getting worried  
I don't see them anymore

There's one thing wrong with my woman  
There's only one thing I can see wrong with the girl  
She doesn't love me  
Ohh, she doesn't love me anymore

She's perfect in her every way  
But, her love has faded away  
There's one thing wrong with my woman  
There's one thing I can see wrong with my woman  
She doesn't love me anymore  
There's only one thing wrong with my woman  
There's only one thing wrong with my little girl  
She doesn't love me anymore
