

## Big, Big World

Johnny Burnette

Nine one, 27th Avenue  
Walked up to the door  
Hello, sir, how are you

No, I'm just looking for a  
Friend living in Apartment 10  
You say she's gone  
Please, how long has it been

It's a big, big city  
It's a big, big world  
How's a boy gonna find  
A little pretty girl  
In this big, big world

Going out to  
Find myself a telephone  
Got a pocketful of dimes  
I know her last name is Jones

Joneses, Joneses  
Oh, I see, pages 19 to 23  
Big, big world can be unkind  
The phone just took my last dime
