

Girls

Johnny Burnette

Girls, girls, pretty little girls
Oh what they do to me
With their ponytails and their short short skirts
Just above the knee
Big ones, small ones, short and tall
They all have somethin' new
There's so many girls and so little time
I don't know what I'm gonna do

Ooo I love the way they walk
Uh uh, I love to hear 'em talk
Girls, girls, give me nothin' but girls
And time enough to love 'em all

I've got a date with Mary Lou; I pick her up at 9
And when I take her home tonight, I'm meetin' Caroline
Peggy, Betty, Sally and Sue are waitin' for my call
Till I'll be the one and my lovin' is done
I'm gonna try to get around to them all

Ooo I love the way they walk
Uh uh, I love to hear 'em talk
Girls, girls, give me nothin' but girls
Big ones, small ones, as long as they're girls
Girls, girls, give me nothin' but girls
And time enough to hug 'em
Time enough to kiss 'em
And time enough to love 'em all
