

## Lonesome Waters

Johnny Burnette

I sit alone by the lonesome waters  
And a lonely seagul flyes up above  
And the blue horizont over lonesome waters  
Well, it'll just reminds me, that I lost my love

Well, I'm so lonesome by the sea  
Crying for your kiss  
But darling must did it  
Like a-this, like a-this, like a-this

A lonesome waters keeps remindin' me  
That my arms are empty by the lonely sea  
By the lonely sea

Well, I'm so lonesome by the sea  
Crying for your kiss  
But darling must did it  
Like a-this, like a-this, like a-this

A lonesome waters keeps remindin' me  
That my arms are empty by the lonely sea  
That my arms are empty by the lonely sea
