Please Don't Leave Me

Johnny Burnette

```
Please don't leave me
Baby, please don't go
Oh, please don't leave me
Baby, please don't go

If you go 'way and leave me
You're gonna hurt me so

Well, yes, I love you, baby
Gonna tell the all the world I do
Yes, I love you, baby
Gonna tell the all the world I do

If you go 'way and leave me
Don't know what I'm gonna do

If you go 'way and leave me
Don't know what I'm gonna do
```
