Devil Went Down to Georgia - Johnny Cash & Travis Tritt

Johnny Cash

It's been ten long years since The devil laid his fiddle at Johnny's feet And it burned inside his mind The way he suffered that defeat In the darkest pits of hell The devil hatched an evil plan To tempt the fiddle player for He's just a mortal man "The sin of pride," the devil Cried is what will do you in "I thought we had this settled, I'm the best there's ever been."

Johnny did you ever know That time keeps marching on The coldest hour is the one Comes just before the dawn The devil's back in Georgia Will you stand up to the test Or will you let the devil be the best?

"In truth I haven't played much Since the baby came in June But give me half a minute an' I'll get this fiddle back in tune"

The devil grabbed the golden Fiddle out of Johnny's hand and said "Though I'm the fiddle player Underground and I walk upon the land"

"Y'all just better be just turnin' Back if you want this boy to win 'Cos practice is the only cure for The predicament he's in"

"Now devil it would be a sin For you to get my bow You go on back to hell and to The wood shed I will go"

Johnny are you practicing or Will your hands grow cold? The devil walks the land and Plays a fiddle made of gold Can you hear the babe a crying, Will he ever know The devil wants his daddy's very soul?

"Before we play I want to Thank you for letting God's Own Word ring true He said you can't be trusted" "Yeah so what you gonna do?" "Well you get your fiddle devil if You think that you can win 'Cos I beat you once you old dog And I can whip your butt again"

John Brown's green, the devil is red Mama's little baby loves shortenin and bread The devil's dream is that he can win But Johnny is the best that's ever been
