

# Don't Make Me Go

Johnny Cash

You take my hand and smile at me  
But I can tell you'd rather be  
Alone or with somebody else you know  
And when your eyes looking to mine  
That old time love light doesn't shine  
But let me try again don't make me go

I want you don't make me go, my heart would break, I'd miss you  
so  
Treatin' love for sympathy is all to me  
What's this lovesick heart to do, when it cries for only you  
Hold me close I love you so don't make me go

I'm sorry that I never knew the way to show my love for you  
I took too much for granted all the time  
Two hearts in love must give and take  
When one heart feels the other breaks  
Don't make me go, I wanna show this love of mine

I want you don't make me go, my heart would break, I'd miss you  
so  
Treatin' love for sympathy is all to me  
What's this lovesick heart to do, when it cries for only you  
Hold me close I love you so don't make me go
