

# Help Me

Johnny Cash

**A**

1. Lord, Help me walk

**E**

Another mile, just one more mile;

**E7**

**A**

I'm tired of walkin' all alone.

Lord, Help me smile

Another smile, just one more smile;

**A7**

You know I just can't make it on my own.

**D**

**A**

R: I never thought I needed help before;

**E**

**E7**

**A**

**A7**

I thought that I could get by - by myself.

**D**

**A**

Now I know I just can't take it any more.

**E**

With a humble heart, on bended knee,

**E7**

**A**

I'm beggin' You, please, for help.

2. Come down from Your golden

And throne to me, to lowly me;

I need to feel the touch of Your tender hand.

Remove the chains of darkness

Let me see, Lord let me see;

Just where I fit into your master plan.

R: I never thought I needed help before...
